8. STRATEGIC MILESTONES & EXPANSION ROADMAP (2026 - 2027)

Completed Milestones	Upcoming Initiatives
• Q1 2026: Deployed unified cloud CRM across all 8 branches for synchronized membership tracking. • Q2 2026: Launched state-of-the-art recovery zone at Downtown Main (Cryotherapy & Infra-red Sauna). • Q2 2026: Reached benchmark 12,000+ active members network-wide.	• Q3 2026: Groundbreaking for 2 new suburban franchise outlets (Green Valley & Riverdale). • Q4 2026: Introduction of AI-powered workout tracking in the Sudheer Gym mobile app. • Q1 2027: Target revenue benchmark of \$250,000 / month.

9. COMPLIANCE & DOCUMENT VERIFICATION

This document has been artificially generated specifically for software benchmarking, document intelligence testing, and OCR/LLM layout parsing evaluation (LlamaParse, Unstructured, Marker, AWS Textract). All names, values, figures, and charts are structured to evaluate multi-column extraction, footer recognition, table cell merging, and financial aggregation parsing accuracy.

LlamaParse Test Note (Page 3): Tests multi-page boundary isolation, table footer summary row extraction (`tfoot`), currency formatting parsing, and compliance section paragraph extraction.
