Director's Message

Dear Stakeholders and Partners,

The 2025-2026 financial year has been a spectacular era for Telugu Cinema, and **Sudheer Telugu Movies Distribution Company** has stood at the forefront of this cinematic revolution. By strategically acquiring theatrical rights for some of the biggest pan-India and regional tentpoles, we have solidified our position as a leading distribution house in Andhra Pradesh, Telangana, and key overseas markets.

This year, Tollywood continued to push boundaries with unprecedented scale and storytelling. Our robust distribution strategy allowed us to successfully capitalize on massive theatrical windows, ensuring maximum screen counts and optimal box office recovery. Our core focus remained on nurturing strong relationships with exhibitors and maximizing revenue share across the Nizam, Ceded, and Andhra territories.

We acquired phenomenally successful titles such as *Kalki 2898 AD* and *Pushpa 2: The Rule*, which brought unprecedented footfalls. By maintaining a diverse portfolio—ranging from high-budget VFX extravaganzas to content-driven mid-tier films—we mitigated risk and sustained cash flow throughout the fiscal year.

Key Acquisitions & Performance

Below is a detailed breakdown of our major distributions for the recently concluded box office year. We strategically targeted Nizam and Ceded regions for mass-action films, while capturing overseas rights for class and family-oriented features.

MOVIE TITLE	LEAD ACTOR(S)	TERRITORY ACQUIRED	OUR SHARE (₹)	VERDICT
Kalki 2898 AD	Prabhas, Amitabh Bachchan	Nizam	₹85.50 Cr	Blockbuster

Movie Title	Lead Actor(s)	Territory Acquired	Our Share (₹)	Verdict
Pushpa 2: The Rule	Allu Arjun, Fahadh Faasil	Ceded & Nellore	₹72.00 Cr	Industry Hit
Devara: Part 1	NTR Jr, Saif Ali Khan	Andhra (Selected)	₹45.20 Cr	Super Hit
HanuMan	Teja Sajja	Entire AP/TS	₹68.40 Cr	Double Blockbuster
Guntur Kaaram	Mahesh Babu	Krishna & Guntur	₹22.10 Cr	Above Average
Tillu Square	Siddhu Jonnalagadda	Nizam & Vizag	₹38.50 Cr	Super Hit
Game Changer	Ram Charan, Kiara Advani	Overseas (USA)	\$5.2M (₹43 Cr)	Hit

Market Insight: The phenomenal run of *HanuMan* proved that strong content with cultural resonance can yield extraordinary returns on investment, even outside of traditional star-driven vehicles. Our early acquisition of the AP/TS rights for *HanuMan* proved to be the most profitable venture in our company's history by ROI percentage (over 300% return).

Territory Breakdown

Our operational footprint expanded significantly this year. The **Nizam** territory remains our primary revenue driver, contributing to 45% of our overall collections, heavily bolstered by the massive multiplex footfalls in Hyderabad for *Kalki 2898 AD* and *Tillu Square*. **Ceded** contributed 25%, driven by the phenomenal mass appeal of *Pushpa 2: The Rule*. **Andhra** regions (30%) remained stable, though single-screen revenues were slightly impacted by adverse weather during the release window of *Devara*.

Future Outlook & Upcoming Slate

Looking ahead to the next fiscal year (2026-2027), Sudheer Telugu Movies Distribution has already initiated advance negotiations for several highly anticipated mega-projects. We are aggressively bidding to secure rights for:

- **SSMB29 (SS Rajamouli & Mahesh Babu)** - Targeted for Overseas & Nizam distribution.
- **Spirit (Sandeep Reddy Vanga & Prabhas)** - Advanced talks for Ceded and Uttarandhra regions.
- **Salaar: Part 2 - Shouryaanga Parvam** - Exploring pan-South distribution partnerships.

We remain committed to our vision of bringing the magic of Telugu cinema to wider audiences while delivering consistent, sustainable growth for our partners. Thank you for your continued trust in Sudheer Telugu Movies Distribution.

Warm Regards,

Sudheer
