Welcome to Sudheer Real Estate Company. Over the past decade, we have established ourselves as a premier property developer and real estate brokerage, bridging the gap between exceptional properties and discerning clients. Our success is built on the foundation of our dedicated employees. This manual outlines the policies, procedures, and expectations that govern our working relationship. We believe in fostering an environment of transparency, growth, and mutual respect.

1.2 Mission and Vision

Mission: To provide unparalleled real estate services by maintaining the highest standards of integrity, market knowledge, and client satisfaction.

Vision: To be the most trusted and innovative real estate enterprise in the region, redefining urban living and commercial spaces.

1.3 Core Values

- **Integrity:** Upholding honesty and ethical standards in every property transaction.
- **Excellence:** Delivering outstanding quality in our construction projects and advisory services.
- **Collaboration:** Working seamlessly across departments—from site engineers to sales executives—to achieve common goals.
- **Client-Centricity:** Putting the needs and aspirations of our property buyers and investors first.

2. Employment Categories & Hiring Policy

2.1 Equal Employment Opportunity

Sudheer Real Estate Company is an equal opportunity employer. We do not discriminate on the basis of race, religion, color, national origin, gender, sexual orientation, age, marital status, or disability status. All employment decisions, including hiring, promotions, and compensation, are based on merit, qualifications, and business needs.

2.2 Employee Categories

To ensure clarity in benefits and responsibilities, employees are classified into the following categories:

- **Full-Time Permanent:** Employees who work standard hours (40-48 hours/week) and have successfully completed their probationary period. They are eligible for all company benefits.
- **Part-Time:** Employees who work fewer than 30 hours per week. Benefit eligibility is pro-rated based on hours worked.
- **Contractual/Project-Based:** Staff hired for specific construction projects or time-bound assignments. Their terms are governed strictly by their individual contracts.
- **Commission-Only Agents:** Real estate brokers or agents who operate independently under the company banner and are compensated solely based on sales closures.

2.3 Probationary Period

All new full-time employees must undergo a probationary period of six (6) months. This period allows both the company and the employee to evaluate the working relationship. During this time, employment may be terminated by either party with a notice period of fifteen (15) days. Upon successful completion of the probation, a confirmation letter will be issued.

3. Code of Conduct & Business Ethics

3.1 Professionalism & Representation

Employees represent Sudheer Real Estate Company both in the office and out in the field. When conducting site visits, interacting with clients, or dealing with vendors and contractors, employees must exhibit the highest level of professionalism. Dress code in the corporate office is business formal, while site engineers and field staff must adhere to business casual or mandated safety gear.

3.2 Conflict of Interest

Employees must avoid situations where their personal interests conflict with the interests of the company. Specifically in the real estate context:

- Employees may not engage in private real estate deals (buying, selling, or brokering) with company clients without prior written consent from the HR and Legal departments.
- Employees cannot accept undisclosed "kickbacks," referral fees, or commissions from external contractors, interior designers, or financial institutions.
- Any personal investment in properties being developed or marketed by the company must be declared.

3.3 Confidentiality

Safeguarding client and company information is paramount. Employees will have access to sensitive data, including client financial records, upcoming development blueprints, marketing strategies, and pricing structures. Unauthorized disclosure of this information to competitors or external parties is strictly prohibited and constitutes grounds for immediate termination and legal action.

4. Working Hours, Attendance & Remote Work

4.1 Standard Working Hours

The standard workweek for corporate office employees is Monday to Friday, from 9:30 AM to 6:30 PM, with a one-hour lunch break. However, due to the nature of the real estate industry, sales executives and site managers may be required to work on weekends to accommodate client site visits. Employees required to work on weekends will be granted compensatory off-days during the week.

4.2 Attendance Tracking

All employees must log their attendance using the company's biometric system or the authorized HR mobile application for field staff. Grace period for late arrivals is 15 minutes. Consistent tardiness (more than 3 times a month) will result in disciplinary action and potential deduction of half-day leave.

4.3 Remote Work & Field Flexibility

While site engineers and reception staff are required on-premises, select roles (e.g., digital marketing, inside sales, analysts) may be eligible for a hybrid work model. Eligible employees may work remotely up to two (2) days a week, subject to managerial approval. Field sales staff are expected to manage their schedules dynamically but must submit daily activity reports (DAR) via the company CRM.
